AUTOESTUDIO PARA MIDDLE STATES: EXCELENCIA INSTITUCIONAL Y MEJORAMIENTO CONTINUO

El pasado mes de agosto de 2023, el Recinto de Río Piedras de la Universidad de Puerto Rico recibió, de parte de la *Middle States Commission on Higher Education* (MSCHE), la [aceptación del diseño del Autoestudio 2016-2025](#). Desde entonces, bajo el lema «Excelencia Institucional y Mejoramiento Continuo», los ocho grupos de trabajo del Comité Timón de Acreditación han estado laborando arduamente en el borrador del escrito.

Actualmente, bajo la coordinación del Decanato de Asuntos Académicos, el texto se encuentra en etapa de revisión para ser presentado ante el senado académico del recinto el próximo martes 30 de abril de 2024. De esa manera, continuamos con el compromiso asumido desde 1946, de asegurar que el recinto se someta voluntariamente al proceso de acreditación institucional por la MSCHE, y enmarque su quehacer en el cumplimiento de su misión con las más altas expectativas de excelencia. La comunidad puede mantenerse al tanto de lo relacionado con este proceso visitando el siguiente sitio web del DAA: <https://academicos.uprrp.edu/msche-selfstudy/>.

Los ocho equipos de trabajo que tienen la encomienda de producir el autoestudio 2016-2025 se distribuyen uno por [cada uno de los siete estándares](#) y otro para el inventario de evidencias. Estos grupos, compuestos por personal de la gerencia académica, docentes, no docentes y estudiantes, tienen a su cargo evidenciar el cumplimiento con cada estándar, criterio y requisito de afiliación de la MSCHE. Agradecemos la colaboración ofrecida por la comunidad a los líderes y colíderes, quienes han capitaneado los esfuerzos para evidenciar el cumplimiento con los estándares de acreditación y requisitos de afiliación a la MSCHE. Como parte del proceso de revisión, este año académico, los equipos se han reconfigurado de la siguiente manera:
